

# Clinical Sequence Evidence-Generating Research Consortium

CSER at the [American College of Medical Genetics Annual Meeting 2019](#)

April 2<sup>nd</sup> – 6<sup>th</sup> 2019. Seattle, WA.

Unless indicated otherwise, all events are at the Washington State Convention Center

Website: <https://cser-consortium.org/>. Twitter: [https://twitter.com/hail\\_CSER](https://twitter.com/hail_CSER)

## April 2<sup>nd</sup> 2019

Time (local)	Location	Presenting Author	Title	Type
<i>Workshop</i>				
7:30 – 9:00pm	Room 606-609	Carol Horowitz, Laura Amendola, Nangel Lindberg, Sharon Plon, Chris Rini	<b>Addressing Literacy and Language to Equitably Deliver on the Promise of Precision Medicine</b>	<a href="#">Workshop</a>

## Thursday, April 4<sup>th</sup> 2019

Time (local)	Location	Presenting Author	Title	Type
<i>Posters</i>				
10:30am – 12:00pm	Exhibit Halls 4ABCD	Kevin Bowling	<b>Preliminary Results of SouthSeq: Sequencing NICU Newborns in the South</b>	Poster Session (Abstract <a href="#">683</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Kate Mittendorf	<b>Adaptation and Early Implementation of the PREMM5 Lynch Syndrome Risk Prediction Model in a Diverse Population</b>	Poster Session (Abstract <a href="#">955</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Julianne O'Daniel	<b>Putting into Practice What They Preach: Collecting and Implementing Feedback Through Multilayered Stakeholder Engagement</b>	Poster Session (Abstract <a href="#">847</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Anne Slavotinek	<b>Whole Exome Sequencing in Underserved and Underrepresented Minority Patients in the P3EGS Study at UCSF</b>	Poster Session (Abstract <a href="#">301</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Kelly East	<b>Training and Tools to Empower Non-Genetics Providers to Return Genome Sequencing Results in the NICU Setting</b>	Poster Session (Abstract <a href="#">995</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Laura Amendola	<b>Approaches to Secondary Findings Across the Clinical Sequencing Evidence-Generating Research (CSER) Consortium</b>	Poster Session (Abstract <a href="#">381</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Stephanie Kraft	<b>Genome Sequencing at the Clinical-Research Interface: A Novel Approach to Informed Consent for a Diverse Primary Care Population</b>	Poster Session (Abstract <a href="#">859</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Alice Popejoy	<b>The Use and Potential Impact of Diversity Measures in Medical Genetics Practice: Results of a Survey of Clinical Genomics Professionals</b>	Poster Session (Abstract <a href="#">319</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	John Grealley	<b>The Use and Potential Impact of Diversity Measures in Medical Genetics Practice: Results of a Survey of Clinical Genomics Professionals</b>	Poster Session (Abstract <a href="#">793</a> )

## Friday, April 5<sup>th</sup> 2019

Time (local)	Location	Presenting Author	Title	Type
<i>Posters</i>				
10:30am – 12:00pm	Exhibit Halls 4ABCD	Tia Kauffman	<b>Increasing Access to Genomic Services across Underserved Populations: An Online Approach to Identify and Consent High Risk Individuals</b>	Poster Session (Abstract <a href="#">990</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Jackie Odgis	<b>Findings from the Lead-in phase of the NYCKidSeq program to understand the communication of</b>	Poster Session (Abstract <a href="#">1004</a> )

			<b>genomic results in diverse populations of Harlem and the Bronx</b>	
10:30am – 12:00pm	Exhibit Halls 4ABCD	Melissa Wasserstein	<b>NYCKidSeq: Incorporating Genomics into the Clinical Care of Diverse NYC Children</b>	Poster Session (Abstract <a href="#">996</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Brook Staley	<b>Early Recruitment and Enrollment in a Genomic Medicine Clinical Trial Focused on Underserved and Under-represented Populations: NCGENES 2</b>	Poster Session (Abstract <a href="#">1006</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Devan Duenas	<b>Motivations and Decision-Making for Genomic Research Participation in a Diverse Primary Care Population</b>	Poster Session (Abstract <a href="#">856</a> )
10:30am – 12:00pm	Exhibit Halls 4ABCD	Sabrina Suckiel	<b>GUÍA: A Novel Web-based Application for Communicating Genomic Test Results to Diverse Patients in NYCKidSeq</b>	Poster Session (Abstract <a href="#">636</a> )
